

The Gazette.

LEXINGTON, VA., APRIL 11, 1902.

A Cold Wave is Coming.

A temperature of 30 degrees below zero is pretty cold weather, but even colder is promised in Lexington soon. More than ten times 30 below zero will be the temperature on Saturday night, April 19 at 8:30 o'clock in the chapel at Washington and Lee University. A supply of this wonderful fluid, 312 degrees below zero, is guaranteed, and extensive laboratory apparatus is brought with which to show its many peculiar and startling qualities.

Present experiments with Liquid Air are simply voyages of exploration into the strange country of hitherto unknown temperatures. What the heat of a fire is to water in generating steam, so is the heat of the atmosphere to Liquid Air, which is so inconceivably cold that a kettle of it will boil away fiercely even upon a cake of ice; alcohol is frozen and quicksilver is made as hard as iron, while the air's chemical properties permit of many paradoxical and interesting feats. The entertainment will be given under the auspices of the athletic association of the University. Theatricals and banquets of Chicago, are managers of the bureau. All persons desiring reserved seats should subscribe at once, in order to get choice of seats. The prices are: Reserved seats, 75 cents; general admission, 50 cents.

Finds Way to Live Long.

The startling announcement of a discovery that will surely lengthen life is made by editor O. H. Downey, of Chubbuck, Ind. "I wish to state," he writes, "that Dr. King's New Discovery for Consumption is the most infallible remedy that I have ever known for Coughs, Colds and Grip. It is invaluable to people with weak lungs. Having this wonderful medicine no one need dread Pneumonia or Consumption. It's red is instant and cure certain." B. H. Gorrell, guarantees every 50c and \$1.00 bottle, and gives trial bottles free.

The Horse Market.

Monday a number of horse buyers were here. About 20 horses were bought by them. The prices paid for the best ranged from \$65 to \$80. No first class horses were offered. Those sold lacked flesh, which is the first consideration with a horse-buyer. A horse to meet the wants of these men must be reasonably young, not exceeding eight years of age, and must be of good size.

The Secret of Long Life

Consists in keeping all the main organs of the body in healthy, regular action, and in quickly destroying deadly disease germs. Electric Bitters regulate Stomach, Liver and Kidneys, purify the blood, and give a splendid appetite. They work wonders in curing Kidney Troubles, Female Complaints, Nervous Diseases, Constipation, Dyspepsia, and Malaria. Vigorous health and strength always follow their use. Only 50c, guaranteed by B. H. Gorrell, druggist.

It is feared very much that all the early fruit has been damaged by the blizzard of Tuesday. At many places the temperature was at freezing and snow fell in many sections, notably, at Woodstock, where it reached four inches, Winchester, and the entire lower Valley, were in the grasp of a blinding snow storm the entire day.

New Century Comfort.

Millions are daily finding a world of comfort in Bucklen's Arnica Salve. It kills pain from Burns, Scalds, Cuts, Bruises; conquers Ulcers, and Fever Sores; cures Eruptions, Salt Rheum, Boils and Felons; removes Corns and Warts. Best Pile cure on earth. Only 25c at B. H. Gorrell's drug store.

On Friday night last the cadets of the Virginia Military Institute held their annual Easter german. The dancing took place in the gymnasium, under the Jackson Memorial Hall. The music for the occasion was by the V. M. I. Post Band, Prof. Krause leader. Supper was served at midnight.

Heads Should Never Ache.

Never endure this trouble. Use at once the remedy that stopped it for Mrs. N. A. Webster, of Winnie, Va., who writes: "Dr. King's New Life Pills wholly cured me of sick headaches I had suffered from for two years." Cure Headache, Constipation, Bilioussness. 25c at B. H. Gorrell's drug store.

The Virginia Presbytery of the Associate Reformed Presbyterian church will hold their spring meeting on Friday, April 18, at Broad Creek church, Rev. E. B. Anderson, pastor. Rev. W. M. Hunter of Monroe county, W. Va., will preach the opening sermon in the morning at 11 o'clock.

Real Cheapness.

is not in the first cost, but in the ratio of cost to a cure. There's an expert diamond getter that gets \$50 a day and his employers declare that he's the cheapest man they've got. First cost for Longman & Martinez Paint is more than dealers ask for benzine, barytes thin paints, but just let me explain what it costs when oil is added; then how it does wear. McCrum Drug Co. Sole Agents, Lexington, Va.

Sudden Death in Lexington.

News spread rapidly throughout Lexington Tuesday morning of the sudden and unexpected death of Mr. T. T. Agnor at his place of business on Main Street. As was his custom he came to his establishment before he had partaken of his breakfast, and complained to one of his assistants, Clinton Varner, that he felt unwell, and wished he would go to a near-by restaurant, where he boarded, and bring him a cup of coffee.

In a short time Mr. Varner returned to find Mr. Agnor lying upon the floor gasping for breath, and in a few minutes he ceased to breathe. It is thought apoplexy was the cause of his death.

Theodore Theophilus Agnor was a son of William Agnor, and was born on Buffalo about 45 years ago. Since he arrived at mature manhood he has lived in Lexington, and has always been considered an expert mechanic in the cabinet-making and furniture business. For a number of years he has prosecuted this calling in the Matthew Kahle stand, backed by men of means. His place was an emporium of fashion, and he always kept a new and up-to-date stock.

About 20 years ago Mr. Agnor married Miss Rachel Shields of Lexington, a granddaughter of the late Hiram H. Henderson. To them was born one daughter, Elizabeth, who is a student at the Southern Female Seminary at Buena Vista.

Mr. Agnor is survived by his wife and daughter of Lexington, and one brother and three sisters, to-wit: Lee Agnor, Miss Marian Agnor and Mrs. Virginia Park of Lynchburg, and Mrs. Mary J. Wood of Louisville, Ky.

Mr. Agnor was not connected with any church. For many years he was associated with the Odd Fellows, Knights of Pythias, and the Royal Arcanum, the latter being an insurance organization, and held membership in the latter at the time of his death. He carried life insurance to the amount of \$2,000.

The funeral took place from the Baptist church Thursday morning at 10:30 o'clock, conducted by Rev. Timothy A. Hall, the pastor, assisted by Rev. J. H. Light of Trinity Methodist church. At his late home the Order of Royal Arcanum took charge of the remains and the pall-bearers were selected from this organization.

Among those from a distance were his brother, Lee Agnor, and nephew, F. W. Agnor, both from Lynchburg, and Mrs. Harry Livezey of Newport News.

The Lexington Golf Club is Now Organized.

A charter was granted last week by Judge S. H. Letcher to a number of gentlemen for the purpose of purchasing suitable grounds for the Lexington Golf Club. Twenty-four acres of land was purchased near Hotel De Hart for the sum of \$1,455.

The original stockholders' club met Monday night and disbanded. Professor W. R. Vance presided, and a new set of officers and directors were elected, as follows: F. T. Glasgow, president; R. L. Owen, secretary and treasurer, who with M. B. Corse, W. S. Hopkins, W. M. McElwee, and Professor D. C. Humphreys form the board of directors.

A greens committee, composed of Professor Humphreys, Mr. McElwee, and Colonel E. W. Nichols, was appointed, who will look after the grounds; and Messrs. Hopkins, Corse, and McElwee were appointed committee on by-laws.

Work will begin at once in preparing the grounds for the game, although for the past season golf links have been laid out on the same grounds. In order that as many persons as possible may be interested in the game, season tickets will be sold which will entitle the holders to all privileges of the grounds.

There were fourteen members present at the meeting Monday night. The present membership of the club is about twenty-five.

Wilson Memorial of \$100,000 Completed.

It is gratifying to the friends of Washington and Lee University that the Wilson Memorial fund of \$100,000 has been completed, and that a chair of economics will be established in the University in honor of the late president, Hon. William Lyne Wilson. It will be recalled that Mr. Wilson felt the need of the department of economics at the University while he was president, and from his salary he gave \$1,000 a year to support this chair.

The total amount of subscriptions to the fund foot up \$100,142.67, which has been placed with the Girard Trust Company of Philadelphia, by Herbert Welsh, the treasurer of the fund, as an interest bearing deposit, except \$5,000 which was forwarded to the University direct. The endowment fund will shortly be turned over to Washington and Lee and will be invested to form the endowment of the Wilson Department of Economics. It is supposed that between \$5,000 and \$6,000 annually will be realized from the investment and from this amount the salary of the economics professor will be paid, leaving a large balance to accumulate yearly. When this accumulation is sufficiently large it is suggested that a Wilson Memorial building will be erected at the University.

On examining the subscription list it is found that there were 93 contributors to the fund, the amounts varying from \$15,000 to \$2.00. The success of the enterprise is due to the active interest by the friends of Mr. Wilson in New York and Boston, and other sections of the country, especially the alumni of the University resident in Louisiana. Only two contributors are residents of Lexington—Paul V. Penick, \$25.00; and Greenlee D. Letcher, \$5.00.

Mr. B. Estes Vaughan, cashier of the First National Bank of Lexington, went to Lynchburg Wednesday to attend the marriage of his brother, Mr. Garland Estes Vaughan and Miss Marian Yancy M. Jackson that evening. Mr. Vaughan is the first book keeper of the Peoples' National Bank. The ceremony took place in the First Presbyterian church. Mr. B. Estes Vaughan of Lexington, brother of the groom, was best man, and Miss Lucy Jackson, sister of the bride, was maid of honor.

Rev. W. H. H. Joyce, who has been located at Winchester as the Methodist minister in charge of that station, preached his farewell sermon to a packed audience Sunday night. The Epworth League presented him with a magnificent gold watch as a token of their respect and esteem. Rev. Joyce has been sent by the authorities of the church to serve the congregation of Luray. He is well-known by the Methodists of Rockbridge, having served the church as pastor at Buena Vista.
